

Are you having difficulty logging on to Lions Clubs International web site to submit your Club's monthly Membership report?

Do you know how to get your password?

Do you know how to add, delete, transfer members online?

IT COULD NOT BE SIMPLER!

Please go to the International web site <http://www.lionsclubs.org>. Click on MYLCI/SUBMIT Reports (It is at the top of the page, just under the different languages.). You will then see menu options on the right hand side of the page (Under Support Centre). Click on the link "Introduction to MYLCI". Click on whichever training video you wish to view.

OR:

The following videos will show you in detail. Please watch them, they only take a few minutes each.

To get your password and logon to the site: <http://www.youtube.com/watch?v=nc6H7tbZ6Ao>

To add, delete, transfer members: <http://www.youtube.com/watch?v=ke-hpBNgods>

I have also attached a Word document sent to me by District Officer James Bourke which will give you a step by step guide to setting up your password.

It is vital that we have full and up to date membership information. Please help your Club and the District by completing the membership online today. It will only take a few minutes. Remember, even if you are 12 months (or more) out of date, you only have to complete ONE REPORT TO BRING YOUR CLUB COMPLETELY UP TO DATE.
